

Bench
by Links Contract

Nurture your space and mind.

Bench by **Links** enables you to create an atmosphere that encourages improved productivity and harmony within the workplace. Design a setting that is active, airy, and beautiful while maintaining the most effective use of space. A cost effective desk system, with selections for power & data wire management, as well as modesty, and privacy panels for various applications.

Discover unique possibilities with **Bench**.

TR225 shown in Cappuccino (CP) work surface, True White (TW) hutches & pedestals, and Mod Ice Blue (MD30) fabric.

Skillfully designed for the modern executive.

Create a distinguished office with inspiring elements. **Bench** workspaces integrated with **Links** provide you with options to design a space suited for your distinct style.

Functional design is vital in management office space.

EXEC shown in Cappuccino (CP) with Silver Glazed (SZ) Doors.

Available with wall or post mounted hutch options as well as modesty and privacy panels, the balance between private and public is yours to tune.

Independent and focused or shared and collaborative, **Bench** does it all.

A great application for open spaces.

SOLO+ shown in True White (TW) worksurfaces, Riviera Maple (RM) Cabinets, Hutches, Modesty & Privacy Panels and White Glazed (WZ) doors.

Efficiency and functionality in the workplace.

The **Bench** solution drastically increases the space devoted to what your task force requires.

Open space expands your options for multiple users working individually or as a team, with access to whoever or whatever you need to work with.

TASK shown in True White (TW) with Riviera Maple (RM) work surfaces.

All hands on desk.

CREW shown in True White (TW) with Touch Oyster (TC90) fabric.

Bench by **Links** offers you excellent, cost effective choices for your staff with desking options great for collaboration.

Your team will work better together; with **Bench** desking you provide your staff the ability to work in teams, to share skills and ideas, and create solutions for successful results.
