## Innovations

---

Performance, choice and value are key statements that define the entire Innovations series.

Combining high quality construction with an abundance of components and finishes, along with our exceptional "in stock" advantage, makes this the perfect choice for your office or workspace.

The Innovations series consists of over 60 components available in 5 different finishes, so feel free to explore options until you find the right 'fit' for your work environment.

HDL is pleased to offer a limited lifetime warranty on all Innovations components. Innovations is built and designed to last!

Exceptional product, exceptional service: that's the HDL way.

## Built to Last

---

A great work environment requires a number of essential considerations.

Your workspace is important; it's where you get things done. It goes without saying that you want something that looks good, but what about flexibility and durability?

Innovations is designed to let you easily expand or add another workstation, within a tight budget and without compromising quality.

Quality office furniture, built for today's office, built to last.
