## Outlines

Designed as a desktop privacy panel system, Outlines can be incorporated into many of the HDL product lines to add a level of privacy normally provided by cumbersome panels or more expensive 'Systems' furniture.

The main advantage of the Outlines range is its flexibility. This product can form part of a new desk set up or can be retrofitted to an existing desktop simply and easily.

The Outlines series offers shaped transaction tops that provide more surface area, perfect for creating a reception-style setting. All tops can be ordered to match our Innovations and Pinnacle series.

**Construction**

Using premium quality, recyclable aluminum extrusions, Outlines delivers where it matters: Durability required for the work place. Outlines has been designed and built to last.

Fast, easy installation makes this perfect 'add-on' series a good choice for every office.

**Transaction Tops and Edge Details**

Outlines offers both 1" Innovations or 1 1/2" Pinnacle fluted transaction tops and edges to complement existing furniture in the HDL range of products.

**Panels**

HDL panels are made from recyclable clear polycarbonate as it is light, durable, and will not discolour over time. It also enables as much natural light into the work space as possible.

If your office needs something beyond our standard lines, we can provide custom pieces through our sister company, Heartwood Manufacturing Ltd.
