HUDDLE

Multi-purpose Tables

TABLES THAT
WELCOME CHANGE

Huddle Up

In today's office, work happens everywhere: in project rooms, in meeting and learning spaces, in impromptu collaborations where two or three people put their heads together to solve a problem or share information.

Huddle multi-purpose tables let you use the same space for a variety of purposes and make change happen fast. Set up several in a conference room for new employee training at 10:00; reconfigure them for a presentation at noon. Pull one up to a desk for a quick work session with a colleague. Push two against the wall to stage a paper-intensive project.

A wide selection of over 23 laminate finishes, 12 base colors, and 2 edge detail options makes Huddle perfectly compatible with any work environment.

UP FOR CHANGE

Time is money, and space is serious overhead. Huddle multi-purpose tables work with you to make the most of both. Tables are available with a choice of top shapes (rectangular or half-round) and bases (post legs, T-legs, or nesting bases). With a variety of options to choose from, you can specify Huddle tables that are easy to set up and easy to rearrange.

POST LEG
Sturdy and affordable
(glides or casters)

T-LEG
Unobstructed leg room
(glides or casters)

NESTING BASE
Space-efficient storage
(casters only)

F

UP FOR ANYTHING

With accessories available to customize tables for specific uses, Huddle supports whatever work you need to do—wherever you need to do it.

The nesting base allows for space-efficient table storage. The dampened articulation of the hinge mechanism lets the tabletop fold down safely and softly. Modesty panels drop down and out of the way when tables are nested.

G
