EXPRESSIONS

Need color? Craving a splash of uniqueness to complement a space? Colors by Clarus is a proprietary Glassboard paint technology developed by Clarus with the richest and most vibrant color system available in the glass fabrication industry.

Every Colors by Clarus Board is created using a blend of high-tech, proprietary equipment and hand craftsmanship. The result is a perfectly smooth finish, superior color adhesion and unmatched consistency with each client's project. The palettes shown to the left represent a collection of popular colors to assist in the design process.

- Create your Clarus Board with the interactive Builder Tool to see how color can enhance any space
- All palette colors are also shown on the color spread (reverse)
- Custom matching colors available on request
