42" Bariatric

Freelance. Sophisticated in Stature.
Professional in Purpose.

Intriguing design, unmatched durability, bariatric functionality and surprisingly broad options surface in this amazingly versatile side chair and stool collection.

Office Strategy.

Pair the Freelance collection with any SitOnIt Seating task chair: the transitional design works well in offices and at workstations.

Styled for Versatility. Built for Durability.

The comfortable, curved seat and three back styles make the Freelance a high-demand multipurpose chair. Add casters or arms, a book rack or tablet arm for ultimate mobility and flexibility in offices, training rooms and collaborative spaces. Frames can be finished in black, silver, or bisque with matching arms. The wall-saver frame design prevents marring surrounding surfaces. Its durable frame and an optional plastic seat and back make for an easily maintained chair. Freelance without casters can be stacked 6 high on the optional cart, or configured with a ganging option for orderly rows in meeting rooms.

Pull-Up Collaboration.

Easily communicate, collaborate and compete with strategically placed
Freelance 4-leg and sled chairs in the work area. Choose glides or casters
for any floor type.

Exam Room Comfort and Coordination.

Freelance bariatric chairs offer both comfort and dignity to plus-size patients. Although the 30" and 42" wide seats have a weight capacity of 500 lbs. and 1,000 lbs., respectively, they look identical to the standard upholstered models so users won't feel singled out. And the 19" seat height and sturdy, pinch-proof arms are ideal for transitioning to/from a wheelchair. The Freelance Heavy Duty option is rated up to 350 pounds, ideal for either bariatric or 24/7 use.

Bright Idea for the Breakroom.

With 17 eye-popping plastic shell colors to choose from, easy-to-clean 4-leg and sled chairs and 27" or 30" café stools are the perfect solution for cafeterias and break rooms. Vinyl and a wide array of high performance fabrics offer anti-bacterial and stain resistant options for the upholstered seat.
