SOLEIL

Akin to the brilliant light of a sunny day, Soleil illuminates with gracious beauty and a heightened sense of well-being. With keen sensitivity to its surroundings, this comprehensive collection first and foremost maintains a stylish, healthcare-centric design. Its features support options for ease of maintenance and extended product life, yet the genuine comfort it delivers wholly defines its pure nature. Warm and inviting for either short or long-term waiting requirements, Soleil shines brightly in any environment.

Built-to-order tandem models comprised of guest chairs, 34" and 40" wide bariatric units as well as connecting tables in noteworthy shapes to create inspiring configurations for spaces big and small.

#4461-CO Lounge Chair with #442-333316-CO Soleil Triangle Table

#4450-CO Patient Chair with
