388

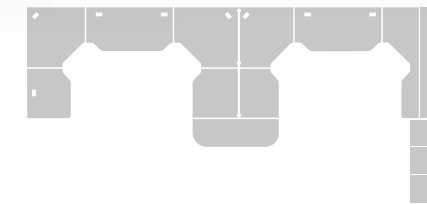

The 388 series from Heartwood is built to withstand the demands of today's hectic office environment while still maintaining an attractive, "as new" appearance for many years. All 388 products use 1" thick, mar resistant, premium grade, thermally fused laminates with matching 3 mm thick PVC edges. Metal to metal fittings maintain product integrity and allow for quick, easy assembly and reconfiguration. The Heartwood team has been manufacturing office furniture products for over 25 years and we guarantee proven quality and years of trouble

free performance. With over 600 components and 20 finishes to choose from, the 388 series is the ultimate solution for today's busy office.

We love custom work! Heartwood has the systems and the experience to build the custom pieces you need...all shipped with our FAST lead times.

388 creates work environments that enhance both functionality and the corporate image. Crisp, clean lines with attention to every detail.

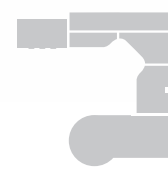

Organize your office in style with a wide choice of storage options designed with your needs in mind. Classic styling with an eye on tomorrow makes 388 the ideal solution for any office.
