## LOCKERS

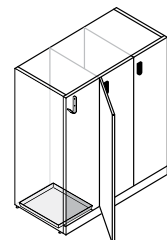

The Locker collection brings originality and style to the traditional locker while being true to its purpose. Artopex Lockers provide storage for many spaces in the workplace – group them along a wall or at the end of benching tables, and even create a collaboration island. Open or with doors, in a variety of sizes, colors and configurations make every combination unique.

## NOKI LOCK

Lockers with the Noki lock provide flexible and secure space for storing personal belongings. The electronic lock can be programmed with any 6-digit access code that automatically resets after each use. The Noki Lock is an innovative, efficient and easy-to-manage solution for multiuser storage spaces.
